

Certifications and technology

Dry Tech products are created using air. To add comfort, softness and absorption, air flows through the fibers and creates air pockets, increasing the paper's bulk – a process called Through-Air Drying. Dry Tech 10" Hardwound Roll hand towels offer increased wet and dry strength, unparalleled softness and added absorbency due to their unique production process.

Technical data

Material:	Virgin Pulp
Color:	White
Embossing:	
Plies:	1
Tear numbers:	1
Sheet height (inch):	10.00
Sheet length (inch):	6,600.00
Roll length (feet):	550
Roll diameter (inch):	7.52
Core diameter (inch):	2.01
