FULL ONE

Papernet's first **controlled**  
**toilet paper dispenser.**

# A TRUE REVOLUTION

## Full capacity, one dispenser.

FullOne is the new controlled toilet paper dispenser from Papernet, developed to guarantee the highest level of hygiene in washroom areas and optimise consumption. Its features allow it to hold over 200 m of paper, reducing refill frequency. A compact, hygienic, unique dispenser made entirely from antibacterial plastic. Its exclusive design fits perfectly into any environment, combining aesthetics with functionality.

### CONTROLLED DISPENSATION

#### **ABSOLUTE HYGIENE**

Right up to the last sheet

#### **LESS MAINTENANCE**

Reduces refill frequency

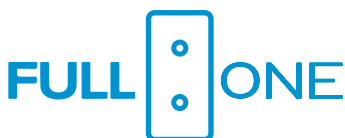

### COMPACT DESIGN

#### **VERTICAL DEVELOPMENT**

Less clutter in washroom area

#### **LONG LASTING**

Holds over 200 metres of toilet paper

# ABSOLUTE HYGIENE, COST REDUCTION

The controlled dispensing system is the ideal solution for optimising consumption and promoting the highest level of hygiene.

Sheet-to-sheet dispensing allows each individual tear to be picked up, guaranteeing absolute hygiene.
